

CS 4210 - Course Project
Maximum Points: 100 pts (70% of the project grade*).
Teams of 4/5 students.

Project report:

In addition to updates to the preliminary sections included in the project proposal, there will be other required sections to be added later (in red) for the final report:

- Title of the project (final)
- Team members (final)
- Abstract – summary of results needs to be included (final)
- Introduction - results need to be included and discussed (final)
- Dataset (final)
- Methodology (final)
- Results (final)
- Related work (final)
- Conclusion (final)
- References (final)

Length: 3(4) page-manuscript (full) using the IEEE LaTeX template. More is fine.

Submission instructions:

Each group will submit:

- The latex files (to be included as a link in your project pdf report)
- The source-code (to be included as a link in your project pdf report)

This can be added as a supplementary material section on your report.

Deadline: 12/01/2025 2:30PM

Group submission on Gradescope. Only one submission should be made by the team representative, and all team members should be included.

* The other 10% and 20% of the project grade will be assigned to project proposal and project presentation respectively.
